To Whom it may concern,

My name is Niccole Cervanyk and I worked for Circuit City for 4 ½ years. During my time at Circuit City I went through all the departments and then management training. In 2005 I got the opportunity to step into a management position while our store manager went out on maternity leave. Our entertainment manager became store manager and I became the entertainment manager. It was a great opportunity. Our store manager Andra Clever would be out for six months. During this time I had some problems with another manager for sexual harassment which was very stressful during this time for me. I was learning a whole new ball game plus this. There were two other girls having problems with this same manager and they came to me so I would help them. After it was all said and done this gentlemen got fired. So we had our visit from Jason Fox who sat me down and told me that he would pay me a managers salary for the months that I took this roll. Well it started on February of 2005 and was supposed to be promoted after August 2005. Andra decided to take a job with Circuit City in a different state so I was still playing manager for another 3 months. Well nothing ever came of it. I never got paid for the work I did and well let's just say they brought in another store manager so I didn't get my promotion. I was very depressed and overwhelmed between the sexual harassment case and being promised something that wasn't. I ended up going to the doctor (which if need be have documentation) and he took me out of work for 3 months (no pay). If I would have been on salary this wouldn't of happened. I was under doctors orders I just wanted to sleep, couldn't cope, employees would call me consistently asking for help. So finally after the 3 months ended I went back and let's just say Jamie Farren didn't want me there so he pushed me to quit. It was said to be for my best interest. I couldn't take anymore so I quit. I know the company is going under but I deserve my pay. If you have any questions please call me at (719) 543-0294.

Thank you,

Niccole Cervanyk

To Whom it may concern:

My name is Beth Halsey and I worked for Circuit City for over 5 years. I worked at Customer Service, in the warehouse and in the cd/Expansion department. At one point I was told that I had a future with this company until I got pregnant with my first child it all changed after that. After I had my son they completely treated me like an outcast. They cut my hours and had no respect for me because I wanted to be the best single mom I could be. I got written up for everything. Eric Flores was my manager at the time and he would only hire woman that walked in, in short skirts it was disgusting. But at that time I had put so much time in I just over looked all the bad. I know exactly what Niccole Cervanyk was going through there was no structure and after 5 years I never even made \$10.00 per hour. There was always an excuse for me not to get a raise. They used there employees quit well by telling them there was a future and money to be made but instead your were at there mercy. All the managers were friends and hung out together and if you were not part of this click you were out of luck. I just wanted to let you know that yes I will vouch for Niccole and if you have any questions please feel free to contact me at (719) 994-0523. I will answer any questions you have.

Thank you,
Beth Halsey
